Describe Work: _____

You will be requested to furnish the following items to the Building Department in order for your project to be considered:

- _____ Availability of water and sewer.
- _____ Site Plan (utility connections).
- _____ Two (2) sets of full size detailed utility plans, including road cut and/or bore details.
- _____ One (1) electronic set in PDF (may be sent by email to: building@inglesidetx.gov).
- _____ Survey, if deemed necessary by the Building Official.
- _____ TDLR# (over 50,000) **Commercial Projects only.**
- _____ Engineered Drainage plan, if deemed necessary by the Building Official.

The City of Ingleside does not accept construction material waste. All construction material waste must be removed and properly disposed of at the expense of the owner/contractor. Porta Potty & construction material waste trailer/dumpster is required on site during construction.
